ATTENTION PURCHASING: MUST READ INFORMATION!

REMINDER: NEW PRICELIST GOES INTO EFFECT January 1st, 2016

Thank you again for your business in 2015.

The new Bar Maid – Glass Pro 2016 pricelist was sent out to all of our Dealers on October 5th, 2015. Since then, it has been slightly updated with a few new items but otherwise is essentially the same as the one sent in October.

Some prices have been adjusted slightly (approximately 2%) and a number of items remain unchanged. The price lists will be available from the “brochures download” section of our web site www.barmaidwashers.com in mid-December and printed ones will be mailed late December 2015. If you need multiple hard copies, please call our office at the number below.

CHANGES TO MAP: Bar Maid’s MAP policy will be adjusted slightly to .57 of 2016 list prices for all Bar Maid corded electrical appliances. However, **GLASS PRO Glass Washers will no longer be subject to MAP.** In an effort to protect or Dealer margins on our “flagship” products, **MAP will be strictly enforced for Bar Maid branded Glass Washers, Blenders, Juicers and Polishers.**

We appreciate your ongoing support and wish you the best for 2016. If you have any questions or comments, please contact us at 1-800-526-5278.

Sincerely,

George
